### Sixth Form Induction & Activity Day

On Monday 1<sup>st</sup> July, we held our Sixth Form Induction Day. It was wonderful to welcome our ex-Year 11 and many new students from neighbouring areas to our Sixth Form. Our day began with a welcome assembly and then our new Sixth Form had the opportunity to attend lessons, have a tour of the school or be entertained by our Head Student team with numerous games in our Sixth Form garden. It was a successful day and the Sixth Form Team look forward to seeing you all again in September.

On Tuesday 2<sup>nd</sup> July we held an activity day in the Sixth Form South field, 'Wise-Up' arrived and set up many challenges for our Sixth form and new students to try. The sun shone and each team worked together to overcome their challenges. It was a very enjoyable and fun morning with a BBQ afterwards.

### Trip to Greenwich University

Friday 28<sup>th</sup> July, Miss Atkins organised for Year 12 to spend the day at Greenwich University to experience a range of lectures on subjects they are thinking about applying to study at degree level. All students gained a wealth of knowledge from the lectures which included, Psychology, Criminology, Maths, English and Film Studies. Students all enjoyed the day, experiencing a taste of undergraduate life. The photo shows a group of students who took part in the Education/ Teaching lecture where they made some fantastic resources.

### Pathways to Success Conference

Two of our Oxbridge students, Evie and Tanya, attended Cambridge University to gain an insight into life at the university and what the colleges had to offer. They had the following to say:

*Recently, me and Evie Rosette went to a 2 day experience at Murray Edwards college at Cambridge University. The focus was on the different ways that success can be interpreted, and was specifically about encouraging women to succeed at Oxbridge. I hope to apply to Cambridge to study Computer Science and Evie hopes to apply to Oxford to study Biomedical Science, so this was a good experience that taught us what it would be like to study at Oxbridge, including the types of lectures, supervisions and accommodation. We were also taught how best to prepare for interviews and we were encouraged to apply in October.*

### Sports Day

As usual our Sixth form were keen to take part in Sports Day and dressed for the occasion!

Sixth form were delighted that our two teams came first in the Staff versus Sixth Form – our winning streak continues.....

### Sixth Form vs. Staff Football Match

The sun shone in May when the Sixth Form decided to take on the Staff in a very competitive football match. Unfortunately, the final result was 3 – 2 to the staff as the final goal by Henry was disallowed!

And finally.....

The Sixth Form Team would like to wish you all a very happy summer and look forward to seeing you in September.
