

# Chislehurst School for Girls

## Headteacher's weekly bulletin 11<sup>th</sup> September 2020

### **The Autumn Term 2020.**

It has been truly wonderful to see all of our students return to school this week, and whilst everything looks and feels rather different, the joy of being back in school and learning is tangible.

Our new Year 7 have got off to a flying start. They look very smart and are forging new friendships that will last a lifetime. A very warm welcome also, to our new students in Year 12 who have made an equally impressive start and the important business of starting A level studies, that will open doors for them in the future, is underway.

To our students returning in all year groups across the school, it is wonderful to have you back and we hope that you have a really successful term.

I am grateful to our wonderful staff, who have worked so hard to ensure the safe reopening of school and in particular our Premises Team who have made significant adaptations to keep us all safe. Mrs Tipping and Mrs Forder are to be congratulated for their extensive planning during the summer to ensure that all year groups could function in separate bubbles. Although we are separated, we are all back in school and that is good news for everyone.

### **Head Student Team.**

Introducing our Head Student Team 2020-21. Extraordinary times call for extraordinary young people and this year's Head Student Team are a determined and capable group of young women. We look forward to working with them to support the work of the school, act as ambassadors and role models for the younger students and lead on events, albeit in a different way this year. Emily has already hit the ground running, as she delivered her first speeches this week for prospective Year 7 students for intake 2021.

### **Future Film Maker.**

How proud we are of Niamh in Year 12 who gained a sought-after place on the 3D

animated films course at University College London. What an excellent achievement and a tremendous opportunity. Congratulations, Niamh!

### **Sixth Form.**

We are delighted to have welcomed so many young men and women into our Sixth Form who have all engaged on the next stage of their journey to fulfill their hopes and aspirations.

### **Welcome to our New Year 7.**

As you can see below social distancing was closely observed but togetherness was in our hearts.

Congratulations to Daisy, Nicole, Emily, Mayah and Kiarah on writing heartfelt welcome speeches for prospective students.

We have received a fabulous response to our Open Events and have created our virtual website!
