

Statement of intent for Catch up 2019-20

The catch –up fund is to be spent on our students who did not reach the expected standards of 100 in their SATS in English ,Maths or Both.

We will also take into account:

- the students, who have shown a discrepancy between their SATS scores and their CATS scores.
- the girls with an average age of 10 years or below in the reading tests

Funding for the school: TBC

Strategies for 2019-20

- Year 7:

Activities/ implementation	Intent	Review of impact	Staff leading on this
- Lexia system: reading, speaking and comprehension Literacy Enhancement group for our Low PA: reading, comprehension, Grammar accuracy Will run 3 times per week (Tuesday/ Wed/ Thursday) (tutor time) + home follow up work	100% Increase of the reading ages for our students with reading below 100. Vast majority to reach chronological age for reading or above by end of the year programme	February 20 and June 2020	Ms Staples
Maths catch up sessions First term (P6): cross over topics between Year 6 and year 7 to enable smooth transition.	To ensure that 100% of the students who achieved less than 100 in Maths STS have the foundations that they need for their Year 7 Maths.	December 19	Mr Dawkins.

Following on from year 7, we continue to support our low PA in year 8 (extension of the catch up money from previous year.

- Year 8:
